

COURSE OPTIONS

ENTRY REQUIREMENTS:

To study any of our A Level or BTEC courses, **five GCSEs (including Maths and English Language) at Grade 4 or above are required**, plus additional entry requirements for individual subjects.

Please note: Level 2 BTECs are not accepted as part of any entry criteria.

You choose **three subject options**: one A Level makes up one subject option; BTECs can be equivalent to one, two or three subject options. There are no timetable restrictions on what combination of subjects you can study.

Course	A Level	BTEC			Additional entry requirements are a minimum of the following GCSE grades:
		Extended Certificate (equivalent to 1 A Level)	Diploma (equivalent to 2 A Levels)	Extended Diploma (equivalent to 3 A Levels)
